## LOCAL BOWLERS WILL HAVE HANDICAP MEET

Entries Coming in For City Handicap Tournament at South Bend.

Entry blanks have been issued by E. C. Ellsasser for the Mishawaka-South Bend handicap bowling tournament which will be held at the Ellsasser alley, starting May 1. Entries must be in before April 24, in order that a schedule and handicaps may be arranged.

It is expected that one of the largest entry lists for any city tournament will be made up before the closing date, as every bowler has an equal chance for a place. Handicaps will probably be arranged on a basis of an average score of 180, the handicaps which have been in vogue in all the leagues this season. Interest in bowling is suffering somewhat of a decline at the present time as the two big leagues, the City and Mishawaka, have closed their seasons, which leaves only the industrial leagues to roll.

State tournament entrants held sway at the local alleys Thursday night, but only one score was hung up that looks capable of cutting in to the prize money. This score was 2,866 and was rolled by the Ellys. Other bowlers in the five men event seemed to be in a slump and with the many splits that bobbed up the showing was not encouraging.

In the two-man events some creditable marks were hung up and it looks as if the Mishawaka bowlers might take away a slice of prize money. Local bowlers took a small share at the A. B. C. tourney, and as the competition will not be so keen or so high class in the Indianapolis rolling, a better showing can be expected.

Quite a number of local bowlers will enter the South Bend handicap tournament, to be staged at the Orpheum alleys in South Bend the latter part of the month.

AT TEMPLE TODAY.

"The Unfaithful Wife," a Fox production of much merit, featuring Robert B. Mantell in the premier part, will be seen at the Temple theatre today. Mr. Mantell is the first really great tragedian whose consummate art will be preserved for posterity through the medium of the screen. Students and teachers of the drama, who have often regretted that the achievements of Booth, Mansfield and other dramatic luminaries of bygone years live only in the printed page and in the memories of their admirers, are enthusiastic over the fact that the moving picture camera makes it possible for unborn millions to visualize even in the future the stage triumphs that have endeared Mr. Mantell to the theater-going public of the present generation.

## REPRESENTATIVE OF FIRE CONCERN HERE

Semi-Annual Overhauling of Motor Truck is Being Made by H. Phillips.

H. A. Phillips, traveling representative of the American LaFrance Fire Engine Co., of Elmira, N. Y., was in Mishawaka, Friday, conducting an inspection of the motor truck of the local fire department. Twice yearly the company sends a man to overhaul all vehicles sold by them, thus assuring the city a machine that is always in first class condition. Usually it takes two days to clean the machine as all the bolts and bearings are taken off and thoroughly cleaned.

This is the fifth year the city has had the truck and Mr. Phillips found it in very good condition. He praised the local fire ladders for their efficient care of the apparatus.

The Home Telephone Co. has all their Mishawaka directories so arranged and local patrons of the system are much pleased with it, as it saves them many minutes when looking up numbers. The matter of changing the directory will be taken up with the Hibberd Printing Co. of South Bend, which publishes the book.

## KOKOMO MAN SAYS TANLAC FITS CASE

J. F. Nutter Declares He Feels Stronger than He has for Years.

Kokomo, Ind., April 6.—J. F. Nutter, a well known glass worker, who lives at 749 South Union Street, Kokomo, recently said, regarding Tanlac, the Master Medicine:

"Constipation and stomach trouble caused me great annoyance and pain for months. I suffered intensely with indigestion, had frequent severe headaches, and was very nervous. I felt nauseated most of the time and had a very poor appetite. Almost everything I ate produced nausea. I was extremely restless at night owing to my nerves being unstrung, and I got very little sleep."

"Tanlac appealed to me because I knew of the good it was doing others. I decided that a medicine that was doing so much good for others ought to help me. Since taking Tanlac I sleep better than I have for years, and the headaches have disappeared. My nerves, also, are in good condition, now, and the stomach trouble has been relieved wonderfully. Tanlac just fits my case. I feel better and stronger than I have for years."

Thousands of Indiana people are now deriving benefit from Tanlac. It is especially beneficial for stomach, liver and kidney troubles, rheumatism, loss of appetite, catarrhal troubles and the like.

Tanlac is now sold exclusively in Mishawaka at the Red Cross Pharmacy.—Advt.
